The TxDOT Southern Gateway Project Hosts First Community Meeting on Tuesday, April 3

DALLAS – The Southern Gateway Project will host its first community meeting on Tuesday, April 3, to inform the public about construction plans and upcoming major lane closures on The Texas Department of Transportation (TxDOT) Southern Gateway Project. The meeting, hosted by Pegasus Link Constructors (PLC), will be held in the cafeteria of Yvonne E. Ewell Townview Magnet High School located at 1201 E. 8th St, Dallas, TX 75203 from 6 p.m. to 8 p.m. ([See parking instructions on Page 3](#))

Representatives from TxDOT, principal project owner, and PLC, design-build contractor, will provide an overview of the project, as well as updates on construction work and lane closures. Attendees will be able to view maps and ask questions. This community meeting is open to all interested stakeholders including: local residents, businesses, community groups, commuters and the general public.

In addition to public meetings, there are a variety of ways to stay informed on the project. Please visit www.thesoutherngateway.org to view project materials and presentations. The “Connect With Us” tab includes forms to submit questions or comments, sign up for email notification and text alerts, as well as links to social media. There is also a Project Storefront located at 160 Continental Ave., Dallas, 75207, and a Project Hotline at 214-349-6493.

Other methods to learn more about the project include:

- **Twitter:** www.twitter.com/DriveTSG
- **Sign up for E-Blasts:** <https://thesoutherngateway.org/signup-for-e-updates/>
- **Subscribe to Text Alerts:** Text the message “The Southern Gateway” to 31996

About the Southern Gateway Project

The Southern Gateway Project is a \$666 million design-build construction project by the Texas Department of Transportation aimed to rebuild and widen I-35E south of downtown Dallas, as well as widen U.S. 67 between I-35E and I-20 and the I-35E/U.S. 67 split. Construction will also include building two reversible, non-tolled express lanes. The goal of the 11-mile project is to improve safety, provide congestion relief, address roadway deficiencies and improve system linkage. Construction began in early 2018 with an anticipated completion of late 2021. The Southern Gateway Project is part of the Texas Clear Lanes initiative (www.texasclearlanes.com) by TxDOT to address growing traffic congestion in the state.

About Texas Department of Transportation

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, rail, and public transportation across the state. TxDOT and its 12,000 employees are committed to working with others to provide safe and reliable transportation solutions for Texas by maintaining a safe system, addressing congestion, connecting Texas communities, and being a Best in Class state agency. Find out more at txdot.gov. “Like” TxDOT on Facebook (www.facebook.com/txdot) and follow us on Twitter (www.twitter.com/TxDOTDallasPIO).
