**Southbound I-35E Mainlane Closure at US 67, June 11-12**

DALLAS – All lanes of southbound I-35E at US 67 will be closed overnight for construction on the US 67 overpass bridge on the evening of June 11. The southbound I-35E mainlane closure is scheduled to last from 9 p.m. Friday, June 11 to 8 a.m. Saturday, June 12.

During the closure, the following detours will be in place (view map attachment):

- Southbound I-35E traffic will continue right on southbound US 67 and take the southbound US 67 exit ramp to eastbound I-20 to return to I-35E.

Drivers should expect delays and plan their commutes in advance during the closures.

Construction activities and lane closures are subject to change due to weather or other unforeseen circumstances.

The public can stay up to date on construction progress, lane closures and traffic changes by signing up for text alerts and sending the message “The Southern Gateway” to 855-533-1248.

### About the Southern Gateway Project

The Southern Gateway Project is a \$666 million design-build construction project by the Texas Department of Transportation (TxDOT) aimed to rebuild and widen I-35E south of downtown Dallas, as well as widen U.S. 67 between I-35E and I-20 and the I-35E/U.S. 67 split. Construct will also include building two reversible, non-tolled express lanes. The goal of the 11-mile project is to improve safety, provide congestion relief, address roadway deficiencies and improve system linkage. Construction began in early 2018 with an anticipated completion of late 2021. The

Southern Gateway Project is part of the Texas Clear Lanes initiative ([www.texasclearlanes.com](http://www.texasclearlanes.com)) by TxDOT to address growing traffic congestion in the state.

**About the Texas Department of Transportation**

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road for supporting aviation, rail, and public transportation across the state. TxDOT and its 12,000 employees are committed to working with others to provide safe and reliable transportation solutions for Texas by maintaining a safe system, addressing congestion, connecting Texas communities, and being a Best-in-Class state agency. Find out more at [www.txdot.gov](http://www.txdot.gov). “Like” TxDOT on Facebook ([www.facebook.com/txdot](http://www.facebook.com/txdot)) and follow us on Twitter ([www.twitter.com/TxDOTDallas](http://www.twitter.com/TxDOTDallas)).
